Dear Business Owner,

On behalf of the members of the Bozrah Volunteer Fire Company, we thank you for your continued support of our department and the community we proudly serve.

Each day, we remain committed to providing essential fire and emergency services to the residents and businesses of Bozrah. Unlike many departments, our firehouse is owned by the fire company and maintained by our members — at no cost to local taxpayers. For more than 75 years, the generosity of our community and the success of our fundraising efforts have allowed us to maintain our building, improve our facilities, and ensure we remain operationally ready.

We continue to raise funds for necessary building maintenance, repairs, and improvements so we can deliver high-quality emergency services while keeping costs low for taxpayers.

To support these efforts, we are excited to host our 27th Annual Golf Tournament on Friday, July 24, 2026. This event promotes community involvement, healthy activity, and provides critical funding for our station and operations. We invite you to partner with us by becoming a corporate or individual sponsor. Your sponsorship directly supports the maintenance and improvement of our facility and helps ensure we can continue serving Bozrah with professionalism and pride.

New this year: Sponsorships can now be purchased quickly and securely online by simply scanning the QR code included on our materials and event flyer.

The Bozrah Volunteer Fire Company is a 501(c)(3) nonprofit organization, and contributions are tax-deductible under Section 170 of the Internal Revenue Code. A copy of our IRS determination letter is available on our website.

Please review the enclosed sponsorship opportunities and let us know how you would like to participate. If you have any questions, feel free to contact one of the individuals listed below or visit us online at www.bozrahfire.org.

We sincerely appreciate your continued support and partnership. Together, we can ensure the Bozrah Volunteer Fire Company remains strong for generations to come.
