Dear Business Owner,

We are committed as a department to provide the community with the essential services it needs every day and we would be unable to do it without your help. As you most likely know, our fire station is owned by the fire company and maintained by our members at no cost to the taxpayers. We are very fortunate to operate in a community that recognizes the quality of service that we provide, and has in turn been very generous towards us over many years. This continued generosity, as well as our members working many fundraising events is what has allowed us to maintain our building and grounds over the last 74 years. We are continuously working hard to raise funds to perform much needed maintenance and improvements to our facilities, so we can continue to provide the service to our community that they deserve at a low cost to the taxpayers.

As a way to help us raise funds to make necessary improvements and maintenance repairs to our station and to promote an active and healthy lifestyle for our community, the Bozrah Volunteer Fire Company will be holding our 25th Annual Golf Tournament on Friday July 26, 2024. We are asking for your support of this great event by becoming a corporate or individual sponsor.

The BVFC is a 501(c) (3) organization and contributions are deductible under section 170 of the Internal Revenue Code. A copy of our IRS letter can be obtained on our website.
